HOW TO USE:

STEP 1

STEP 1: Place your oishi in the far corner of your pillow cover. Make sure that it is easy to grab and squeeze.

STEP 2: When you are laying in your bed just reach up to the corner of the pillow and squeeze your oishi to hear the time.

No peeking. Keep your eyes closed!

STEP 2

OISHI VOICE TOO LOUD?

You can muffle the sound by sticking a piece of tape over the audio zone.

Place Tape
Over Audio
Holes

Be creative!
